

Certification activities

Dimitris Bouris
Grand Opening Event, Athens, 24-26 January 2023

Co-funded by the
European Union

Task 2.2: Certification & Accreditation - **M1-M12**

A rather challenging task that must be completed within the first year of the project

- Survey and document international certification requirements
- outline key actions/steps towards the certification of services
- outline key actions/steps towards the certification of the facility as a whole
- develop action plan for all future certification activities

Ideas of services that could be certified?
